Dear Supervisor Todd House,

The Pinal County Deputies Association has elected to enthusiastically endorse you as Pinal County Supervisor of District 5.

The goal of the Deputies Association has been to promote a positive image of the Pinal County Sheriff's Office employees as well as protect their Constitutional rights. We accomplish this by providing a powerful and respected voice for our members to both the public and to Pinal County. Our authority to represent all sworn deputies and sergeants of the Pinal County Sheriff's Office, as well as all dispatchers, evidence technicians and identification technicians derives from Pinal County Ordinance No 121008-MC.

With this in mind our board of directors has found that your continued efforts to improve Pinal County as the Supervisor of District 5 has shown to coincide with our goals. We sincerely appreciate your continued concern for our members.

With sincere appreciation,

Benjamin Cook  
President
